

Improvement of Hygiene Service to You.

**Miss Kirstie Hutchings
BSc (Hons) Dental Hygiene and Dental Therapy**

We have now been able to increase the amount of hours available to you for hygienist appointments, as this was an area that needed improvement.

Lesley has reduced her days working in the practice from five to three and this has given us the opportunity (along with adjusting existing hours of our other hygienists) to bring along a new team member into our practice.

Kirstie will be filling the days that Lesley has given up and also seeing our new patients. Kirstie qualified at Portsmouth university as a hygienist/therapist. We have taken some time in making this placement and Kirstie has been the one to emerge with great attitude and aptitude for the job.

Please can you help Kirstie settle into the practice and you will be very pleased that she will be looking after you.

Thank you for your time and co-operation
