

We would like to welcome to our team Steve Simmons.

Steve recently qualified at The Portsmouth University in Dental Hygiene and Dental Therapy. BSc (Hons).

Ensuring that we are able to give our patients the best possible service, Steve has been carefully selected from many candidates and we are confident that his manner and professionalism will ensure his easy transition into our team.

Like our other Dental Therapist Kirstie, Steve is able to complete other treatments within the practice, including hygiene.

With the recent changes that have happened at the practice we are pleased to also announce that Kirstie is now with us on a full-time basis.

We are sure these changes will improve our existing service to you even more. We hope you will help Steve settle into our practice.
